**Moderators:** James F. Braun, DO & William M. Valenti, MD, Chair, MSSNY Infectious Diseases Committee

**Faculty Introductions and Disclosures:** Dr. Braun

**Guest Speakers and Presentations:** Dr. Glesby at 7:00 PM (EST) – Dr. Persaud at 7:15 PM (EST) - Dr. Brown at 8:00 PM (EST)

### **HIV Remission in a Woman of Mixed Race with AML and HIV: The New York Patient**

Marshall Glesby, MD, PhD

Associate Chief, Division of Infectious Diseases

Director, Cornell HIV Clinical Trials Unit

Weill Cornell Medical College, New York, NY

Deborah Persaud, MD

Professor, Department of Pediatrics

Interim Chief, Division of Infectious Diseases

Johns Hopkins University School of Medicine

Dept. of Molecular Microbiology and Immunology and International Health

Johns Hopkins Bloomberg School of Public Health

Chair, IMPAACT HIV Cure Scientific Committee, Baltimore, MD

### **Learning Objectives:**

***At the completion of this program, participants will:***

1. Describe the barriers to HIV cure.
2. Recognize why HIV remission and cure occurred through stem cell transplantation.
3. Discuss the relevance of different assays used to measure HIV persistence and its limitations in HIV cure research.

- and -

### **Weight Gain and Obesity in People with HIV**

Todd T. Brown, MD, PhD

Professor of Medicine and Epidemiology

Division of Endocrinology, Diabetes, and Metabolism

Johns Hopkins University, Baltimore, MD

### **Learning Objectives:**

***At the completion of this program, participants will:***

1. Review the current evidence regarding the impact of ART and specific ART medications on body weight.
2. Understand the impact of weight gain and adipose distribution on clinical outcomes.
3. Know the optimal approaches to weight gain prevention and treatment in PWH.
4. Be aware of new treatments that are being developed for weight loss.

**Accreditation Statement:** This activity has been planned and implemented in accordance with the Accreditation Requirements and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Medical Society of the State of New York (MSSNY) and the Physicians' Research Network (PRN). The Medical Society of the State of New York (MSSNY) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing Medical Education for physicians.

The Medical Society of the State of New York (MSSNY) designates this live activity for a maximum of **2.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**ABIM MOC Recognition Statement:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 2 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**Disclosure Statement:** Policies and standards of the Medical Society of the State of New York and the Accreditation Council for Continuing Medical Education require that speakers and planners for continuing medical education activities disclose any relevant financial relationships they may have with commercial interests whose products, devices or services may be discussed in the content of a CME activity. Dr. Braun (Planner/Course Director/ Moderator) has no relevant financial relationships to disclose. Dr. Valenti (Moderator) has no relevant financial relationships to disclose. Dr. Marshall Glesby (Presenter) has had the following personal financial relationships in the past 24 months with manufacturers of the products or services that may be presented in this CME activity: Research Support from Gilead, and Regeneron; Consultant/DSMB Member to Swedish Orphan Biovitrum (Sobi), and Enzychem; Consultant to Regeneration, and ReAlta. Dr. Glesby will support his presentation and clinical recommendations with the best available evidence from the medical literature, and will submit his slides in advance for adequate peer review. Dr. Deborah Persaud (Presenter) has no relevant financial relationships to disclose. Dr. Persaud will support her presentation and clinical recommendations with the best available evidence from the medical literature, and will submit her slides in advance for adequate peer review. Dr. Todd T. Brown (Presenter) has had the following personal financial relationships in the past 24 months with manufacturers of the products or services that may be presented in this CME activity: Consultant to ViiV, Gilead, Janssen, Merck, and Theratechnologies. Dr. Brown will support his presentation and clinical recommendations with the best available evidence from the medical literature, and will submit his slides in advance for adequate peer review.

**Financial Support:** This PRN CME activity is funded in part by unrestricted educational grants from:

Gilead Sciences; Janssen Therapeutics, a division of Janssen Products, LP; Merck & Co.; and ViiV Healthcare
